

Villa Maria Academy
Library Angels

If you wish your daughter to become a Library Angel please send in this sheet and a \$20 donation. During the month of the event celebrated, your daughter will have her picture taken and will select a book to be inscribed with her name, date and occasion along with her picture.

Library Angel pictures will also be displayed in the hall near the library. A student may become a Library Angel more than once a year if she celebrates more than one occasion.

We invite grandparents to join our Library Angels Program. They can donate a book to celebrate any occasion for their grandchild.

This would make a lovely birthday remembrance or the marking of any occasion in their grandchild's life.

The Library Angels program is a primary source of funding to increase our library collection, which benefits the intellectual development as well as enjoyment of our students. Thank you for your generous support of our library.

Mrs. Sarah Connelly, Librarian
Mrs. Jean Kerrigan, Library Aide

Please complete and return the bottom portion in an envelope marked "Villa Library Angels."
