Book Swap

_____ **Book Swap Committee:**
Participate in this mid-year event-- two weeks in mid-February—which allows students, their parents, and friends of VMA to trade gently used books for those brought by others. We appreciate any suggestions people have for a recipient for the donation of books at the conclusion of the swap. 2007's remaining items, many in wonderful condition, went to a struggling Archdiocesan school. In previous years they have gone to shelters, centers for disaster victims, etc. (Write below, or send us information anytime):
