

Villa Maria Academy  
Music Enrichment

Dear Parents,

The following form is an interest form for our music enrichment program here at Villa Maria Academy. This form contains all of the instruments offered in the Band, The Instrument Choir, and the String Orchestra. This is not a commitment form; rather this letter is a way for you to communicate to us, the music faculty, of your daughter's interest in the various instruments we offer so that we may supply you with information regarding our program. Please share the following flier with your daughters and if they are interested, please circle the instrument or instruments you wish to receive more information about and place your daughter's name and homeroom on the form and please return to Mr. Hemsley or Ms. Mello's mailbox.

Last week's concert was a wonderful showcase of all of our talents in our program here, and we hope to see your daughter become a part of our Music Enrichment program in the 2010-2011 school year!

Thank you for your time!

Christine Mello and Ben Hemsley

Instrumental Ensemble Interest Form

Circle the instrument you would like to learn more about!

Flute

oboe

clarinet

saxophone

Trombone

Baritone

French Horn

Trumpet

Tonechimes
