# VILLA PRIDE

Parents, Faculty, and Staff,

As we are all well aware, the girls here at Villa Maria Academy are exceptional. They excel in the classroom, on the sports field, in their service to the community, and in their leadership. Some of our girls are involved in so many activities that it is can be hard for us to keep up with all of their achievements.

The Villa Pride newsletter is a way for us to do just that. We are with the girls all day and see their exceptional performance in academics and leadership, but we would love to be able to highlight their personal achievements from outside of the VMA community. This will allow us to share this information with others and inspire all to follow in their footsteps.

With your help this can happen. If you know of a personal achievement that one of our girls has taken part in please feel free to fill out the submission form and submit it to the development office. The young lady that is to be highlighted, will be interviewed and photographed for the news letter. If you can provide a photograph of the event,/award/activity etc... we will do our best to include it as well. Electronic photos can be sent to [tmurnane@villamaria.org](mailto:tmurnane@villamaria.org)

Thank you so much in helping us celebrate the achievements of our girls and sharing those achievements with others.

Respectfully,

The Development Office
